

# Missouri Arts Council Annual Report

For projects occurring July 1, 2006 through June 30, 2007

OFFICE OF THE GOVERNOR  
STATE OF MISSOURI  
JEFFERSON CITY  
65101

MATT BLUNT  
GOVERNOR

STATE CAPITOL  
ROOM 216  
(573) 751-3222

Dear Fellow Missourians:

I am pleased to present the Missouri Department of Economic Development-Missouri Arts Council's 2007 Annual Report.

The dedicated professionals in this division work to provide grants to nonprofit organizations that encourage and stimulate the growth, development and appreciation of the arts to both large and small communities in Missouri. The arts attract tourists, provide thousands of jobs, play a role in business attraction and retention, strengthen communities and bridge cultural divides. Arts education can advance workforce development, helping students be proficient readers, writers, problem solvers, and creative thinkers.

Since becoming governor, I have increased funding for the arts every year and worked to ensure that funds from the Non-Resident Athletes and Entertainers tax are being spent for the purpose for which it was created. For Fiscal Year 2009, I continued my commitment to support Missouri's cultural opportunities with a recommendation for an additional \$6.8 million increase for the Missouri Arts Council. The Missouri General Assembly appropriated an increase of \$3 million.

I also, in January 2008, appointed Walter Bargen as the state's first Missouri Poet Laureate for a term of two years. He will continue the promotion of Missouri's rich cultural heritage.

Missouri is blessed to have quality artists and arts organizations in our state. I hope that you will find this annual report on our efforts to support the arts informative. Do not hesitate to contact the Missouri Arts Council if you, or someone you know, could benefit from their assistance.

Sincerely,

A handwritten signature in black ink that reads "Matt Blunt".

Matt Blunt

#### MISSION STATEMENT

The Missouri Arts Council — as public leader, partner and catalyst — is dedicated to broadening the appreciation and availability of the arts in the State and fostering the diversity, vitality and excellence of Missouri's communities, economy and cultural heritage.

#### GUIDING PRINCIPLES AND VALUES

- \* We believe that the arts play a vital role in the life and well-being of the community. They are an important tool for educational, economic and community development and revitalization with significant impact on Missouri.
- \* We recognize, value, and encourage artistic activities in Missouri's rural, urban and suburban communities.
- \* We celebrate all of Missouri's diverse cultures and ethnic peoples.
- \* We acknowledge the individual artist as being core to the continued growth of the arts, arts organizations and Missouri communities.
- \* We value innovation and creative expression in the arts.
- \* We are committed to creating alliances and partnerships within and outside the arts that strengthen the health of the arts.
- \* We are committed to the effective use of resources and to maintaining integrity and accountability in our distribution of public resources.
- \* We believe that cultural diversity, folk and traditional art, as well as individual artists and education are integral to and need to be woven within all MAC programs and initiatives.

## Missouri Arts Council Overview

Missouri Arts Council, a state agency, provides approximately \$3.33 million to nonprofit organizations through grants that encourage and stimulate the growth, development, and appreciation of the arts in Missouri. MAC provides funding to make possible quality arts programming to both large and small communities. Also, MAC staff is available to provide assistance in arts and nonprofit management. Their expertise includes community development, fundraising, marketing, grantwriting, arts education, artistic disciplines (visual arts, music, literature, theater, dance, festivals, and film/media), and more.

Missouri Arts Council board consists of 15 volunteers from across the state who are appointed by the Director of the Department of Economic Development in consultation with the Governor. The board meets regularly to provide direction in policy making and programmatic oversight.

Funding for the Missouri Arts Council and its programs is provided by the Missouri General Assembly through the state's annual budget bill approved by Governor Matt Blunt, Missouri Cultural Trust, and National Endowment for the Arts.

### Missouri Cultural Trust

The state legislature created the Missouri Arts Council Cultural Trust Fund, also called Cultural Trust, in 1993 to help stabilize funding for the arts in Missouri. Subject to appropriation, the Trust would be funded by 60% of the income tax on non-resident professional athletes and entertainers (A&E tax). The Trust is governed by the members of the Missouri Arts Council and five elected officials: two members of the Missouri House of Representatives, two members of the Missouri Senate, and the State Treasurer.

The Trust was originally established to grow untouched until 2015 at the earliest. Unfortunately, difficult economic times changed plans for the Trust fund. In FY2004,

the Missouri General Assembly granted MAC spending authority for the Missouri Cultural Trust instead of appropriating General Revenue funds to MAC. The Cultural Trust supported MAC's operations and grant programs. This resulted in changes to Trust's grant programs—closing the Capital Incentive Program to new applicants in FY2002 and dissolving the Organizational Development Program.

Under the leadership of Governor Matt Blunt, the future of the Missouri Cultural Trust is improving. In his first term, the Missouri General Assembly increased the allocation of the A&E tax into the Trust from \$0 to \$582,000. With improving state revenue, the Governor was able to persuade the Missouri General Assembly to increase that allocation to \$3,201,000 for FY2007.

### National Endowment for the Arts

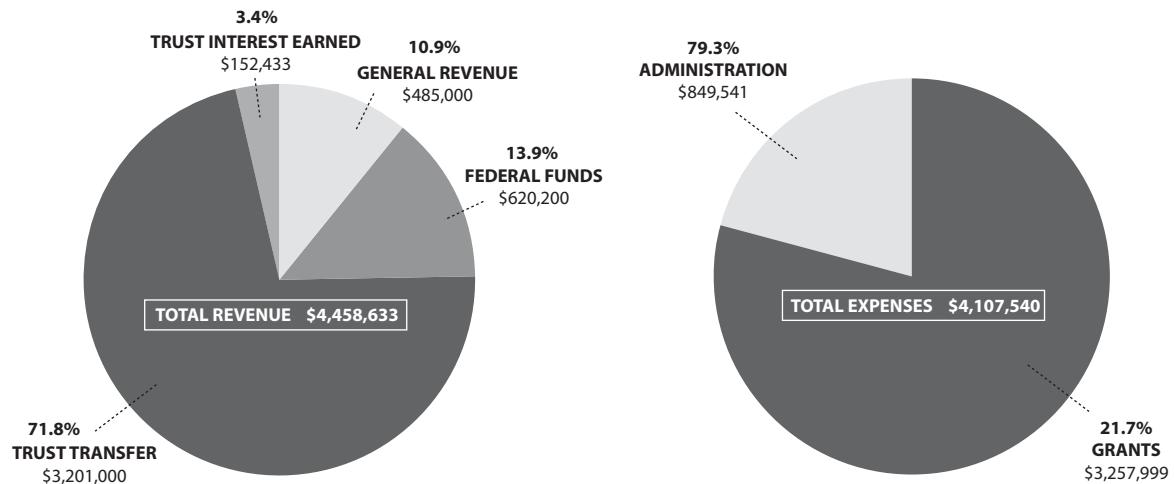

Funding for the Missouri Arts Council and its programs also is provided by the National Endowment for the Arts, a federal agency, which believes that a great nation deserves great art. MAC gratefully acknowledges NEA's support during FY07 for its State Arts Plan, Challenge America Component, American Masterpieces Component, Arts Education Component, Underserved Communities Component, and Poetry Out Loud.

# Grant Program Descriptions

MAC provides funding for quality arts programming to eligible applicants which include but not limited to: Arts or arts education organizations; chambers of commerce; public libraries; government agencies; youth organizations; public school districts; private K-12 schools; community arts organizations; social service organizations; colleges and universities; and religious organizations.

MAC funds may be used for artist fees, artist travel expenses, marketing the arts event, project-related educational materials, and more. For MAC granting purposes, a project is a specific, identifiable program that has a distinct focus, format, and objective. A project can include the following:

- \*Performance of dance, music, and/or theater (single performance or series)
- \*Educational programs
- \*Artist residencies
- \*Literary journal publication
- \*Arts festival or arts component at festival or county fair
- \*Exhibition or exhibition series
- \*Film festival, film series, or production of film, video, or media arts project
- \*Services to the field

## ARTS EDUCATION PROGRAM

This grant program is designed to strengthen the place of the arts as a core academic subject in the regular school curriculum, and to promote integrating the arts into non-arts classrooms and out of school programs. MAC works with Missouri Department of Elementary and Secondary Education to ensure that these programs support student achievement. Grant categories follow:

**\*Artist in Residence** is designed to strengthen school arts programs and allows artists to work with students, teachers, parents, and community members through a variety of activities.

**\*Out of School** supports quality arts education programs for school-aged youth that are at-risk, urban, and/or rural underserved. Activities must take place outside of the normal classroom day.

**\*Professional Development** supports projects that provide learning opportunities, such as presenting qualified speakers to teachers, school administrators, and teaching artists.

In addition to grants, MAC provides professional development for K-12 teachers and teaching artists, assists organizations in the development of their arts education programs, and promotes the importance of arts education.

## ARTS SERVICES PROGRAM

MAC provides financial assistance to organizations whose primary mission is delivery of services to arts organizations statewide. MAC occasionally initiates projects that address special needs and provides grants to organizations best suited to execute the project.

## CAPITAL INCENTIVE PROGRAM

This program is no longer open to submissions. It was created to spur economic activity in the nonprofit arts industry. For every two dollars contributed by a private donor to arts organizations for endowments or renovation/construction of a performance space, MAC set aside one dollar in the Missouri Cultural Trust and promised to pay 5% of the set aside amount to the arts organizations annually.

## CAREERS IN THE ARTS FOR PEOPLE WITH DISABILITIES SUPPORT PROGRAM

MAC initiated a new program in FY07 in collaboration with VSA arts of Missouri. This program increased opportunities in the arts for people with disabilities by providing technical and funding support. Using remaining funds from the Forums on Careers in the Arts for People with Disabilities, the goals were to support the professional development of artists with disabilities, and to expand the awareness of the needs of artists with disabilities by arts organizations. The support was used to adapt studio space to make it more accessible, obtain a modified pottery wheel to accommodate a disability, attend a writers conference, and publish and distribute a book among others. In addition, two theater groups received funds to hire performers and a director with disabilities.

## COMMUNITY ARTS PROGRAM

Community Arts Program supports community arts agencies outside of Kansas City and St. Louis that provide multidiscipline arts programming in their regions, providing opportunities for cultural enrichment particularly in small, rural areas, and non-metropolitan cities. Recipients of CAP support include local arts agencies, parks and recreation departments and chambers of commerce.

## DISCIPLINE PROGRAM ASSISTANCE

MAC's largest grant program, Discipline Program Assistance provides funds for projects in eight areas: dance, electronic media arts, festivals, literature, multidiscipline, music, theater and visual arts.

## ESTABLISHED INSTITUTIONS PROGRAM\*

This program provides operational support for the state's largest and most stable organizations. They must have a primary purpose to present or produce art, history of operating revenues exceeding \$2,000,000 (certain restrictions apply), full-time professional personnel, full season of exhibitions and/or performances,

appropriate community involvement, and significant local, regional or national impact.

## LEWIS AND CLARK

This is the last year for this special grant program created in honor of the nationwide Lewis and Clark Bicentennial Commemoration. It provides financial support to organizations presenting Lewis and Clark commemoration activities that include an arts component.

## MACAA COMMUNITY PROGRAMS

MAC initiated a new program in FY07 in collaboration with the Missouri Association of Community Arts Agencies called Community Programs. The purpose of this program is to provide funding to nonprofit organizations in communities that have little to no arts programming. The intention is to develop these community organizations with technical support from MACAA so they will be prepared to seek future funding from MAC grant programs.

## MID-SIZED ARTS ORGANIZATIONS\*

Like the Established Institutions Program, this program provides operational support. Organizations must have a primary purpose to present or produce art, history of operating revenues between \$500,000 and \$2 million, ranked in the top third of their Discipline Program Assistance grant panel for the prior three consecutive years, full-time professional management personnel, appropriate community involvement, and significant local, regional or national impact.

## MINI GRANT PROGRAM

This monthly deadline program was created to encourage small and emerging arts organizations and organizations based in rural communities to seek financial assistance for arts activities through a less complicated application process. Prior to its creation, applications for MAC grants were only accepted on an annual basis through a competitive process.

## MINORITY ARTS PROGRAM

This program supports arts projects created by or targeted to people of diverse cultures. Funding priority is given to minority-managed organizations with minority-developed arts focused projects. For the purpose of this grant program, minorities are communities identified as African American, Asian American, Latino/Hispanic, and Native American.

## MISSOURI FOLK ARTS PROGRAM

This grant program accepts applications for projects that perpetuate and present the traditional arts and artists, preferably those associated with the state of Missouri. For the purposes of this grant category, folk arts are defined as the living, functional and expressive arts of everyday people passed down informally by word of mouth or imitation within close-knit groups. The grants support Missouri Folk Arts Program's mission to build cross-cultural understanding by documenting, conserving and presenting our state's living folk arts and folklife in collaboration with Missouri's residents.

## MISSOURI TOURING PROGRAM

This multifaceted program provides fee support, 60% of eligible artist's fees, to Missouri community presenters to create performance opportunities for Missouri artists on behalf of citizens across the state. In addition, the Missouri Touring Program provides a juried list of performing artists (dance, music, theater, and traditional arts).

## SCHOOL TOURING

This program funds 60% of artistic fees for schools to present performing artist(s) with related educational activities. Performing artists must be selected from MAC's School Touring Roster or programs of Missouri artists on the rosters of Kansas City and St. Louis chapters of Young Audiences.

## TECHNICAL ASSISTANCE PROGRAM

This program is designed to help nonprofit organizations develop defined administrative, artistic and technical skills. MAC provides support for both organizational development and artistic and project development.

*\* Application reviews are held every three years with updated reports provided in alternate years.*

## Advisory Panels

Each year MAC board appoints Missouri residents and regional representatives to serve as volunteer panelists to review grant applications. Selected panelists are either knowledgeable in a particular art form or they are arts enthusiasts who serve as community representatives on the panel. In the spring, panelists spend hundreds of hours evaluating the grant applications according to the criteria of artistic quality, community involvement, and management ability. They also assist MAC policy and program development. MAC is grateful to the dedicated panelists for volunteering their time and expertise. To minimize administrative expenses, MAC conducts the panel review meetings by conference call. A MAC board member serves as chair to ensure that the review process is fair and equitable and follows MAC's policies.

## Poetry Out Loud: National Recitation Contest

[ Michael Brown, 2007 Poetry Out Loud winner from Blue Springs South High School in Blue Springs ]

In partnership with the Missouri Arts Council, Missouri Department of Elementary and Secondary Education, Missouri Association of Community Arts Agencies, Capital City Council on the Arts, Allied Arts Council of St. Joseph, Arts Council of Metropolitan Kansas City, Arts Council of Southeast Missouri, City of Columbia Office of Cultural Affairs, Hannibal Arts Council, Regional Arts Commission of St. Louis, and Springfield Regional Arts Council, the National Endowment for the Arts and the Poetry Foundation presented Poetry Out Loud: National Recitation Contest. The program aims to encourage high school students to learn about great poetry through memorization, performance and competition. The program in

Missouri has grown from seven schools participating to forty three in one short year.

Poetry Out Loud satisfies both Missouri Show-Me Standards and NCTE (National Council of Teachers of English) English Language Arts Standards. In addition to memorizing and performing great poems, students have the opportunity to discuss poems and to write poetry of their own.

The 2007 Poetry Out Loud state champion was Michael Brown from Blue Springs South High School in Blue Springs. He recited the following poems, *The Negro Speaks of Rivers* by Langston Hughes, *O Captain! My Captain!* by Walt Whitman, and *The Weary Blues* by Langston Hughes. Lauren Priest from Hannibal High School in Hannibal was first runner up. She chose the following poems to recite, *For "Fiddle-de-de"* by John Hallander, *Forgetfulness* by Bill Collins, and *If* by Rudyard Kipling.

Michael Brown received a plaque, traveling trophy, and all-expense-paid trip with two parents/chaperones to Washington, D. C. for the national finals April 30 and May 1, 2007. \$50,000 total in scholarships and school stipends will be awarded at the national finals. The state champion's school keeps the traveling trophy until next year's competition and receives \$500 for the purchase of poetry books for their school library. Similarly, the second place school receives \$200 to purchase poetry books for their school library. All of the finalists receive award certificates.

## 2007 Missouri Arts Awards

Since 1983, the Missouri Arts Awards have recognized and honored those whose contributions to the arts industry of Missouri have produced lasting and profoundly positive effects upon the cultural climate of our state.

Each year, an independent panel of distinguished representatives of Missouri's arts community selects the Missouri Arts Awards recipients, who are honored during a special recognition ceremony in Jefferson City.

The 2007 Missouri Arts Awards were presented on February 7 in the Capitol Building Rotunda by Governor Matt Blunt. Award categories include: Arts Education,

Arts Organization, Creative Community, Individual Artist, Leadership in the Arts, Philanthropy, and Lifetime Achievement.

### CREATIVE COMMUNITY

The Missouri Arts Council established a new Missouri Arts Award category, Creative Community, which recognizes communities (municipalities, villages or towns, counties, business districts, neighborhood associations, tax districts, etc.) that use the arts in significant and creative ways to promote economic growth, tourism, business attraction, resident attraction, or civic growth.

Vickie McCalley  
Richmond

*"Too often, the only opportunities for youth are in organized sports. Vickie has provided another option, one that will provide self-assurance throughout life."*

James D. Jackson, Past President  
of the Friends of the Farris

In 1988, Vickie McCalley founded the Youth Arts Players, a theater program for youth, though the Ray County Community Arts Association and devoted many hours teaching young people ages 10-14 years the technical skills of the performing arts, such as, acting, sound, and lighting. As theatrical skills of the YAP participants improved, McCalley established a writing program through Friends of the Farris, The Farris All-Stars. Geared for youth with previous theater experience and strong interest in theater production, participants produce a show that they write, direct, and perform themselves. Since 1988, more than 100 youth from Ray, Clay, and Lafayette counties have benefited from McCalley's passion for the performing arts and dedication to arts education.

#### ARTS ORGANIZATION

Missouri Southern International  
Piano Competition

Joplin

*"Missouri Southern International Piano Competition is recognized today as one of the premier events in the world of competitive classical piano music."*

Robin Douglas, Missouri  
Southern State University

Missouri Southern International Piano Competition's goal is to bring to the citizens of Southwest Missouri a world-class cultural event that would promote the appreciation of fine music, foster cultural exchange, and encourage the pursuit of excellence. The biennial Competition has gained national and international attention. Its reputation for scrupulous fairness has attracted world renowned judges and competitors from all over the world. Many of the invited competitors have achieved high levels of success since their debut in Joplin. Missouri Southern State University first presented the Competition in 1987. With tremendous financial and volunteer support from the community, it became a nonprofit organization in 1993.

## CREATIVE COMMUNITY

City of Columbia  
Columbia

Columbia has a strong presence of the arts with over 70 arts agencies and businesses. Committed to developing and promoting arts based tourism, Columbia Convention and Visitors Bureau has supported the arts through marketing, funding of more than \$400,000 in the past 7 years, and much more. The Office of Cultural Affairs, established in 1992, promotes and provides art opportunities to the community and visitors. Guided by a comprehensive cultural plan, *Creative Columbia*, OCA has awarded over \$1 million of city funds to arts organizations.

Columbia distinguishes itself in numerous ways. Columbia is the only community in Missouri to have an Office of Cultural Affairs as part of its municipal government. It is one of few communities in the state to have a comprehensive cultural plan and one of two cities in Missouri to have a percent for art program. In addition, the Columbia Public School District has been honored as one of the "100 Best Communities for Music Education" by the American Music Conference and Music Teachers National Association.

[ Representatives Sara Lampe and Charlie Norr presents a joint resolution honoring Russ RuBert (center) ]

## INDIVIDUAL ARTIST

Russ RuBert  
Springfield

*"His prolific and highly creative designs improve public spaces wherever they are displayed. Springfield is truly a richer place because he shares his art with us!"*

Representative Sara Lampe

An internationally known artist, Russ RuBert designs and constructs sculptures for public parks, buildings, and private collections at his 22,000 square foot studio. Working primarily in stainless steel and aluminum, his large fanciful sculptures are like giant toys, pushing the boundaries of what people expect of art, pushing them to try something unexpected, and yet these sculptures are not just for children, but for the child in all of us. Russ coined the term "fusionism" to describe his creative process of merging the multicultural imagery and concepts as well as other media into his sculpture. Russ also contributes his time and expertise to local and national organizations, including Springfield Regional Arts Council, Springfield Art Museum, Springfield Program for Public Art, Missouri Citizens for the Arts, and International Board of ISC, publisher of *Sculpture Magazine*.

[ Douglass Freed ]

## LEADERSHIP IN THE ARTS

Douglass Freed  
Sedalia

Douglass Freed has tirelessly promoted arts activities, organizations, and education in Sedalia and throughout Missouri. Freed's contributions have occurred through his many roles at State Fair Community College. As the first art faculty member in 1968, he helped establish a high quality art department, taught hundreds of students to appreciate art, and guided many students to top art schools. As founding director of Goddard Gallery in 1995, he nurtured many regional artists. Through his friendship with an art patron and community support, Freed created a world class art museum, Daum Museum for Contemporary Art, in 2002 and served as its founding director, exhibiting a renown ceramic sculpture collection.

While on the Missouri Arts Council board (1984-1988), Doug was instrumental in establishing the Visual Arts Biennial, Creative Artist Grants, and Missouri 50 exhibit at Missouri State Fair. He was also one of the first board members of Missouri Advocates for the Arts, which became Missouri Citizens for the Arts.

[ Senator Jolie Justis (far right) presents a resolution recognizing the Francis Family Foundation (L to R) Debby Howland, Jim Koeneman, David Francis ]

## PHILANTHROPY

Francis Family Foundation  
Kansas City

The Francis Family Foundation envisions current and future generations of well-rounded individuals who are creative, lifelong learners, striving to achieve their fullest potential within their communities. The Foundation believes that arts and culture supports the development of the greater Kansas City area as a creative community rich in the expression of its diverse cultures, and known for excellence in arts and culture.

Its arts and culture activities are guided by a plan, which includes a general strategy, long-term outcomes, and grantmaking strategies as well as a commitment to transparency with the nonprofit community and public at large. Between 1980 and 2005, the Foundation made grants for arts and culture to over 80 organizations totaling almost \$12 million. It also invested in the capacity of small arts organizations with workshops on business skills, grantwriting, marketing, board development, and funding.

## 2007 Missouri Arts Awards Artists

The Missouri Arts Awards would not be complete without the talented artists who create the actual awards and provide the image for the coveted event poster, the invitation, and program. Always unique and compelling, the awards have themselves become an integral part of the ceremony.

A panel of MAC board and staff members selected **Michael Hayes** from a pool of applicants to create the awards that Governor Matt Blunt and First Lady Melanie Blunt presented to the 2007 Arts Awards recipients.

Michael's attraction to glass has always been threefold: the immediacy of attentive thought required to observe its movements, the fluidity of its form even when cold and stable, and, of course, the color and shine. Blowing glass while following traditional European techniques, he is choosing to enter design using utilitarian forms. Beginning with clean, uniform shapes created from subtle colors, design elements are added, introducing richer colors. With each of his designs, patterns play and focal points are created. For more information, visit [www.michaelhayesglass.com](http://www.michaelhayesglass.com).

A panel of MAC board and staff members selected *Skywest*, a fiber artwork created by **Susan Leslie Lumsden** of Thayer, as the image for the 2007 Missouri Arts Awards poster, invitation, and program. Lumsden's work was selected from the artwork on display at the 2006 Missouri 50 exhibition, an annual statewide competition at the Missouri State Fair in Sedalia.

"Rebel Quilter" Lumsden has a playful approach to color, materials and techniques, often breaking rules that she finds meaningless or working in her own color palettes. She is drawn to colors that are saturated and rich — seldom the combinations found in traditional quilts. The bulls-eye motif has become the foundation for most of her work. While creating her art quilts, Lumsden flirts with multiple surface design techniques and with numerous materials. The assemblages are layered and quilted using the tricky technique of freehand, free motion machine quilting. For more information, visit [www.rebelquilter.com](http://www.rebelquilter.com).

**Missouri Moulding and Glass**  
of Saint Genevieve has generously donated the framing services for the 2007 Missouri Arts Awards poster. The Missouri Arts Awards posters help to increase awareness of the arts in Missouri. Missouri Arts Council distributes the framed posters to the offices of the Governor, First Lady, and key elected officials such as the Senate Appropriations Committee Chair.

Please join Missouri Arts Council in expressing our gratitude to Missouri Moulding and Glass for its continued support of the Missouri Arts Awards. In addition to donating their time and resources, this small, woman-owned company has consistently provided high quality work, exceptional service, and quick turnaround. For more information, please contact Marge Nohr at 573-883-8800 or [marge@mmgwholesale.com](mailto:marge@mmgwholesale.com).

## FY2008 – FY2010 Strategic Plan

For this Strategic Plan, MAC sought Missouri citizen's input through seven town hall meetings, three focus group meetings, and three on-line surveys. Over 400 Missouri citizens responded. Seven common issues were identified:

- (1) reduced funding and a complex application process;
- (2) the arts' economic impact;
- (3) the power of the arts to improve the quality of life;
- (4) MAC's leadership to our constituents;
- (5) MAC's connection with the arts community to maximize resources, expand awareness, and increase citizens' access;
- (6) our ability to deliver useful services to our constituents; and
- (7) the need to provide more attention to more rural and underserved areas of the state.

MAC has identified three strategic goals, which will create public value by making positive differences in the lives of Missouri's citizens through the arts:

- (1) Increase Participation in the Arts in Missouri
- (2) Grow Missouri's Economy using the Arts
- (3) Strengthen Missouri's Education through the Arts

For each goal, objectives, strategies, and performance measures are provided.

This new Strategic Plan was approved by the Council at the February 2007 meeting. This Approved Strategic Plan for FYs 2008 – 2010 is part of MAC's on-year application to the National Endowment of the Arts. This new plan will serve as a basis for MAC's future vision, programs and operations. MAC has developed an Action Plan, which identifies the detailed tasks, timelines and personnel responsible to ensure that our strategic goals are achieved.

## List of FY2007 Grant Awards

The following list of grant awards represents funded projects between July 1, 2006 and June 30, 2007. It includes the applicant's name, MAC grant program, project title, and amount awarded. The list is organized by city although the funds may have been used in nearby communities or for statewide projects.
